

WELCOME NEWCOMERS!

If this is the first time you have attended the Traditional Latin Mass, you may have noticed that our parishioners do not dress casually in the church. Since the changes in the Church, few parishes have any kind of dress code. Here, however, we still believe that modesty and appropriate attire are necessary, especially in Church out of reverence for the Blessed Sacrament. Please observe these minimum standards of dress for attendance at Church services:

- **Women and girls** must cover their heads. Chapel veils or mantillas are available for loan in the vestibule. They should also wear dresses or skirts that cover the knee completely when standing or sitting; slacks, shorts, sleeveless, tight or low cut clothing are not permitted.
- **Men and boys** should wear a suit coat and tie
- Jeans and other casual attire are inappropriate for attendance at Church services.
- Also, unless you have been attending the Latin Mass exclusively, you should refrain from receiving Holy Communion until you have had an opportunity to meet with Father.

We are always happy to see new faces at Mary Immaculate Queen Church and we look forward to seeing you again.

We may consider *Ember Days* as one of those practices which the Church took from the Synagogue; for the prophet Zacharias speaks of the fasts of the 4th, 5th, 7th and 10th months (Zach. VIII:19). Its introduction into the Christian Church would seem to have been made in the apostolic times. The intentions, which the Church has in the fast of the Ember days, are the same as those of the Synagogue; namely, to consecrate to God by penance the four seasons of the year. The Ember days of Advent are known, in ecclesiastical antiquity, as the fast of the 10th month; and St. Leo, in one of his sermons on this fast, of which the Church has inserted a passage in the second nocturne of the third Sunday of Advent, tells us that a special fast was fixed for this time of the year, because the fruits of the earth had then all been gathered in, and that it behoved Christians to testify their gratitude to God by a sacrifice of abstinence, thus rendering themselves more worthy to approach to God, the more they were detached from the love of created things. “For fasting,” adds the holy doctor, “has ever been the nourishment of virtue. Abstinence is the source of chaste thoughts, of wise resolutions, and of salutary counsel. By voluntary mortifications, the flesh dies to its concupiscences, and the spirit is renewed in virtue. But since fasting alone is not sufficient whereby to secure the soul’s salvation, let us add to it works of mercy towards the poor. Let us make that which we retrench from indulgence, serve unto the exercise of virtue. Let the abstinence of him that fasts, become the meal of the poor man.”

Spiritual Thought for the Week
Let Us Go About Doing Good

If we are educated, let us, in the Master’s name, instruct the ignorant; if we possess wealth, let us use it as God intended; if we have health, let us cheer some drooping soul; if we enjoy any singular opportunities, consider them prayerfully, and in so doing we shall find that the moments that really shine out in our lives are those in which we have buried self and gone out into this busy and sinful world, and have endeavored, by prayer and effort, to do the will of Him, whose one great mission was to go about doing good.
