

WELCOME NEWCOMERS!

If this is the first time you have attended the Traditional Latin Mass, you may have noticed that our parishioners do not dress casually in the church. Since the changes in the Church, few parishes have any kind of dress code. Here, however, we still believe that modesty and appropriate attire are necessary, especially in Church out of reverence for the Blessed Sacrament. Please observe these minimum standards of dress for attendance at Church services:

- Women and girls must cover their heads. Chapel veils or mantillas are available for loan in the vestibule. They should also wear dresses or skirts that cover the knee completely when standing or sitting; slacks, shorts, sleeveless, tight, or low-cut clothing are not permitted.
- Men and boys should wear a suit coat and tie
- Jeans and other casual attire are inappropriate for attendance at Church services.
- Also, unless you have been attending the Latin Mass exclusively, you should refrain from receiving Holy Communion until you have had an opportunity to meet with Father.

We are always happy to see new faces at Mary Immaculate Queen Church and we look forward to seeing you again.

EMBER DAYS

Ember days are the days at the beginning of the seasons ordered by the Church as days of fast and abstinence. They were definitely arranged and prescribed for the entire Church by Pope Gregory VII (1073-1085) for the Wednesday, Friday, and Saturday after 13 December (S. Lucia), after Ash Wednesday, after Whitsunday, and after 14 September (Exaltation of the Cross). The purpose of their introduction, besides the general one intended by all prayer and fasting, was to thank God for the gifts of nature, to teach men to make use of them in moderation, and to assist the needy. The immediate occasion was the practice of the heathens of Rome. The Romans were originally given to agriculture, and their native gods belonged to the same class. At the beginning of the time for seeding and harvesting religious ceremonies were performed to implore the help of their deities: in June for a bountiful harvest, in September for a rich vintage, and in December for the seeding; hence their *feriae sementivae*, *feriae messis*, and *feri vindemiales*. The Church, when converting heathen nations, has always tried to sanctify any practices which could be utilized for a good purpose. At first the Church in Rome had fasts in June, September, and December; the exact days were not fixed but were announced by the priests. The "Liber Pontificalis" ascribes to Pope Callistus (217-222) a law ordering the fast, but probably it is older. Leo the Great (440-461) considers it an Apostolic institution. When the fourth season was added cannot be ascertained, but Gelasius (492-496) speaks of all four. This pope also permitted the conferring of priesthood and deaconship on the Saturdays of ember week--these were formerly given only at Easter. Before Gelasius the ember days were known only in Rome, but after his time their observance spread. They were brought into England by St. Augustine; into Gaul and Germany by the Carolingians. Spain adopted them with the Roman Liturgy in the eleventh century. They were introduced by St. Charles Borromeo into Milan.
